

To Whom It May Concern,

As the Chief Operating Officer of Accu3DX Co., Ltd., I am writing to provide a reference for **Ajay Katudiya**.

In preparing this letter, I spoke with current team members who worked closely with him. One colleague noted the following:

"In Ajay's case, we've been working together for a long time, and he has always worked diligently according to instructions. His skills have improved significantly since he first joined, to the point where he can now develop algorithms and build actual products."

Based on this feedback and our company records, we appreciate the work **Ajay Katudiya** did during their time with us and wish them the best in their next role.

Sincerely,

Wanchen Marten | COO

Accu3DX Co., Ltd.
